

Ms. Juliet Oliver

Managing Director, Stratify by Kingsley Napley

As Managing Director of Stratify by Kingsley Napley, Juliet leads its global legal regulation consultancy, helping investors, innovators and legal businesses navigate complex regulatory landscapes and seize opportunities for growth.

Previously, she served as Deputy Chief Executive and General Counsel at the Solicitors Regulation Authority. In over a decade in leadership roles at the regulator, she oversaw all its major reforms. She designed the suite of standards, rules and guidance governing the authorisation and regulation of solicitors, law firms and legal businesses in England and Wales, and worked with the Government, regulators and law societies in the UK and overseas to develop regulatory strategies.

She has worked extensively in regulation and public policy across multiple sectors. With deep expertise in regulatory strategy, governance and compliance, she is a regular contributor to national and international conferences on the subject.

Also an experienced non-executive, Juliet is currently Deputy Chair of the Professional Standards Authority for Health and Social Care, the oversight regulator for health and social care professionals across the UK.
