### *Panel Discussion on Leadership*

#### Course coverage

A panel of distinguished speakers who are senior members of the legal profession will share their views and experience in their roles as leaders in the public and private sectors and the community at large.

### *Panel Discussion on Competition Law*

#### Course coverage

The speakers will share their views and experience on the following topics:

- Updates and status of enacting the competition law in Hong Kong
- The competition rules and defences
- Enforcement authorities and institutions
- Issues to businesses and case studies

### *Panel Discussion on Financial Regulatory Reform*

#### Course coverage

The speakers will share their views and experience on the following topics:

- Major themes in addressing systematic risks and the governance and control of the financial market infrastructure
- Extraterritoriality of financial laws and regulations - their impact on Asian market participants
- Recent regulatory focus of the enforcement agencies and lessons learnt from recent cases
- Other hot topics

### *Seminar on Stress Management*

#### Course coverage

The speaker will share his experience with examples and stories on the following topics:

- Identify the causes of stress and impact of stress on health
- Manage stress by work-life balance, life style engineering, relaxation exercise training, resilience and positive psychology etc
- Stress management at organisation level including departmental policy, corporate culture, leadership style and stress
- Skills in identifying distressed colleagues

### *Panel Discussion on Employment Law*

#### Course coverage

The speakers will focus on how an employer should seek to pre-empt legal employment problems arising, whether at the recruitment stage, during the life of the relationship or upon cessation. It will use case studies to explore how to deal with issues such as attendance, complaints of discrimination, harassment obligations, policy compliance and unilateral termination.
