

The New Territories Lot/Address Cross Reference Table on CD (2nd Edition)

Introduction

The New Territories Lot/Address Cross Reference Table (CRT) is published by the Land Registry with the primary objective of correlating available property addresses and buildings with the corresponding lot numbers so as to facilitate land searches of properties in the New Territories.

The CRT data are stored in a single compact disc, thus enabling users to search the data speedily and conveniently. The CRT will be updated annually and released for sale as a new edition.
