

Brooke's Notary – 12th Edition

By Nigel Ready

The first fully revised edition since 1992

Special offer to the members
to the Hong Kong
Society of Notaries

Brooke's Notary examines the rights and obligations of notaries, Faculty Office jurisdiction and the appointment of notaries. Fully revised and updated, this well-established book remains the only authoritative text for notaries. It is the most comprehensive manual of English notarial law and practice available with coverage spanning both the history and present structure of the profession and all the legislation and rules affecting modern practice.

This first fully revised edition since 1992 has been updated to include:

- Full accounts of recent regulatory and legislative changes including the new 2001 Practice Rules
- Fully revised chapters
- Updates to the Qualification Rules
- A helpful appendix containing the text of all the relevant legislation and rules affecting notaries and their practice

Contents

- Origin and development of the office. Functions, powers, duties and qualifications of notaries.
- The Court Faculties, Classes, appointment and training of notaries
- Formalities of a notaries act
- The evidentiary status of notaries acts
- Bill of exchange, promissory notes and cheques
- Power of attorney. Affidavits, declarations and ship protests
- Bonds and debenture stock operations and share issue ballots
- Execution and proof of documents for use outside the U.K.
- Precedents
- Appendices

Jurisdiction: U.K.
