

The 8th China International Fair for Investment & Trade

The 8th China International Fair for International Investment & Trade (CIFIT), sponsored by the Ministry of Commerce, will be held between 8 and 11 September 2004 in Xiamen, China. With “Introducing FDI and Going Global” as its theme, CIFIT is unique in combining investment and trade, exhibition with project negotiation, project promotion with policy consultation, and policy seminar with information release, thus furnishing participants with comprehensive services and further making CIFIT the premier event for emphasizing bilateral and diversified investment and cooperation.

The Hong Kong Trade Development Council will organise a **Professional Service Delegation** to CIFIT and will set up a **Hong Kong Professional Service Consultation Area** to provide the latest market intelligence to local enterprises and visitors. Hong Kong enterprises could also take this opportunity to learn about China’s market development, meet with local officials and to explore cooperation opportunities with local enterprises.

For further information on the seminars and forums, please visit CIFIT’s website under the “Forum and Seminar” section at <http://www.chinafair.org.cn/en/index.asp>.

Participation is free (Delegates are responsible for own air-tickets and hotel expenses). All Hong Kong Companies are welcome. For registration, please fill in the attached application form and return to HKTDC by **16 August 2004**.

☎ For inquiries, please contact Miss Jessica Chan (tel: 2584 4212) or Mr. Kevin Ho (tel: 2584 4634)
