Dear Mr. Ho,

"Expo on Hong Kong Services" at China-ASEAN Expo, Nanning,  
中國東盟博覽會 - 香港服務業展覽, 南寧 3-6/11/2004

I am writing to invite the Society's participation in "Expo on Hong Kong Services" at the inaugural China-ASEAN Expo during 3-6 November 2004 in Nanning, Guangxi.

The Expo aims to:

- Feature Hong Kong's overall business advantages;
- Promote the strength of our manufacturing support services;
- Identify and promote partnership opportunities with Hong Kong; and
- Encourage mainland and ASEAN enterprises to use Hong Kong trade and services platform

Targeting at the progressive and globally minded multinational enterprises from Chinese mainland and ASEAN region, the Expo is a good opportunity to promote the strength of Hong Kong's manufacturing support services in the areas of accounting, finance, information & communications technology (ICT), logistics, legal, design, marketing and management consultancy and impress on the trade visitors how the experience and unique competitive advantages of Hong Kong services providers can add value to international business.
