**Legal Advisory and Conveyancing Office (“LACO”)  
Circular Memorandum (“CM”) No. 72F**

**Lands Department Consent Scheme  
for Sale of Residential Units in Uncompleted Development**

To facilitate the issuance of pre-sale consents for sale of residential units in uncompleted developments and expedite the review and verification process in respect of lease approvals required under Government Grants by the Lands Department (“**LandsD**”) and other Government departments, the following revised requirements are to be implemented with immediate effect.

**Phased lease approvals**

2. To expedite the development process of residential units in uncompleted developments, LandsD has issued the Lands Administration Office Practice Note No. 8/2025 (“**Practice Note**”) introducing a streamlined arrangement. Under this streamlined arrangement, a developer may, among other things, apply for approvals of design, disposition and height (“**DDH**”) or design and disposition (“**DD**”) and landscaping proposal by phase, covering a specific phase of the development<sup>1</sup>.

3. In light of the Practice Note, phased approval of DDH/DD and phased approval of landscaping proposal may be accepted as the relevant Government’s approvals required under the Government Grant for the purposes of processing a pre-sale consent application in respect of the relevant phase of the uncompleted residential development<sup>2</sup> and issuing the pre-sale consent thereof.

<sup>1</sup> “Phase” means a phase (within the meaning of the Residential Properties (First-hand Sales) Ordinance (Cap. 621)) in the development.

<sup>2</sup> “Phase” means a phase (within the meaning of the Residential Properties (First-hand Sales) Ordinance (Cap. 621)) in the development for which the pre-sale consent application is applied.

Documentary evidence of lease approvals

4. Under the LACO CM No. 72B, the requirement for an applicant of a pre-sale consent application in respect of an uncompleted residential development to provide LACO with documentary evidence of lease approvals required under a Government Grant was dispensed with, and LACO has been relying on LandsD's internal checking for the review and verification process. However, due to the diverse lease approvals required under recent Government Grants, where many other Government departments are also involved as approving authorities, documentary evidence of lease approvals containing the necessary details will expedite the review and verification process by LandsD. Therefore, applicants for pre-sale consents of uncompleted residential developments are now required to provide LACO with documentary evidence of the lease approvals.

5. The above revised requirements have been incorporated into the Annex and its Appendix I attached to this CM.

6. With immediate effect, LACO will process all new applications for consent to sell uncompleted residential units in accordance with the procedures and requirements set out in the revised Annex and Appendix I. The Annex and its Appendix I attached to LACO CM No. 72E are hereby superseded and replaced respectively by the revised Annex and Appendix I attached to this CM. Except as varied by this CM, LACO CM 72E shall remain in full force and effect.

7. Copy of this CM and the revised Annex and Appendix I attached to this CM may be downloaded from the LandsD's website at [www.landsd.gov.hk](http://www.landsd.gov.hk).

## **Section I**

### **Introduction**

1. The Lands Department Consent Scheme, as introduced in 1961 and then titled as the Land Officer's Consent Scheme, is administered by the Legal Advisory and Conveyancing Office of the Lands Department on behalf of the Director of Lands.
2. Where the land on which a development is being erected is –
  - 2.1 subject to a restriction on alienation prior to compliance with all the conditions in the land grant governing the land; or
  - 2.2 subject to an exclusion order issued by the Lands Tribunal under the Landlord and Tenant (Consolidation) Ordinance, andif a registered land owner wants to sell any units in the development before it is completed, the sale is governed by the Lands Department Consent Scheme. The registered land owner must apply through its solicitors to the Legal Advisory and Conveyancing Office for the consent of the Director of Lands to enter into agreements for sale and purchase of the units.
3. Before the issue of the consent to enter into agreements for sale and purchase, a number of criteria must be fulfilled. The consent is given at the sole discretion of the Director of Lands and if given, is subject to various conditions that may be imposed by the Director of Lands.
4. This Annex sets out the rules and other information applicable to the Lands Department Consent Scheme in relation to the sale of residential units in an uncompleted development, uncompleted phase, completed development pending compliance, or completed phase pending compliance which is governed by the Lands Department Consent Scheme and to which the Residential Properties (First-hand Sales) Ordinance applies, other than the sale of residential units in a specified NT development. This Annex is also applicable to the sale of residential parking spaces constituting separate units that are subject to the Lands Department Consent Scheme.

1.7 Non-compliance with any of the requirements as set out in Paragraph 1.5 (where the application is made by electronic submission) or Paragraph 1.6 (where the application is made by paper submission) of this Section III will render the application being rejected.

## 2. Development Finance

2.1 One of the main objectives of the Consent Scheme is to ensure that purchasers who have entered into agreements for sale and purchase get the units they have contracted to purchase. The Vendor must be able to show its ability to finance the Completion of the Development.

2.2 Two methods of financing the Completion of the Development are acceptable to the Director. They are –

2.2.1 Building Mortgage; and

2.2.2 Finance Undertaking.

To finance the Completion of the Development by the Combined Method is acceptable to the Director as proof of the Vendor's financial ability to complete the Development.

Unsecured loan is only acceptable to the Director when it has been provided to pay the Construction Costs and the Professional Fees up to submission of the application for the Consent.

## 2.3 Building Mortgage

- 2.3.1 The Building Mortgage must be a legal mortgage or charge against the land in favour of a licensed bank or registered deposit-taking company authorized under section 16 of the Banking Ordinance.
- 2.3.2 Where the “restriction on alienation before compliance” clause in the Government Grant does not provide for the inclusion in the Building Mortgage the condition that the Mortgagee is obliged and irrevocably undertakes to, upon completion of the sale and purchase, release unconditionally from the security of the Building Mortgage, any share or interest in the land together with the right to the exclusive use, occupation and enjoyment of any unit in the Development, in respect of which the total purchase price under an ASP is fully paid into a stakeholder account to be opened and maintained with the Mortgagee, and the Building Mortgage does not contain the undertaking for partial release on completion of the sale and purchase, either an Undertaking as to Partial Release or a Deed of Variation to the Building Mortgage must be executed. A draft of the Undertaking as to Partial Release in the form at Appendix V or a draft of the Deed of Variation, in that the Mortgagee undertakes to fulfil the obligation of partial release, must be submitted for the Director’s approval before execution. The Undertaking as to Partial Release or the Deed of Variation (as the case may be) in the approved form must be executed and registered in the Land Registry before the first PASP is signed. The Vendor’s Solicitors or where the Vendor’s Solicitors comprise more than one solicitors’ firm, the solicitors’ firm which made the application for the Consent must forward to LACO a confirmation in writing before the first PASP is signed that the Undertaking as to Partial Release or the Deed of Variation (as the case may be) in the approved form has been registered.
- 2.3.3 The undrawn balance of the facilities under the Building Mortgage must be sufficient to cover the Outstanding Development Costs, unless it can be shown that the deficit is financed by another acceptable means (please refer to Paragraph 2.2 of this Section III). As evidence, a Mortgagee’s Certificate must be submitted.
- 2.3.4 A Tripartite Stakeholder Agreement, as stipulated in Paragraph 17.3 of this Section III, is also required.

## 2.4 Finance Undertaking

- 2.4.1 Where Completion of the Development is to be financed by a Finance Undertaking, a draft of the Finance Undertaking in the form at Appendix VI (Form A) must be submitted for the Director’s approval before execution.
- 2.4.2 In the Finance Undertaking, the licensed bank or registered deposit-taking company must confirm that, should for any reason the Vendor be unable to finance Completion of the Development in accordance with the terms and conditions of the Government Grant and any ASP, it shall pay any amounts to the Vendor or to any other person(s) as the Director shall direct to ensure Completion of the Development.

- 2.4.3 Where Completion of the Development is to be financed by the Combined Method, a draft of the Finance Undertaking in the form at Appendix VI (Form B) must be submitted for the Director's approval before execution.
- 2.4.4 Financing Completion of the Development by two or more Finance Undertakings is generally not acceptable unless with good justifications. The Director shall have the absolute discretion to refuse to accept financing by two or more Finance Undertakings in any case.
- 2.4.5 Where the land is held under co-ownership, the Finance Undertaking must be procured by the Vendors jointly. Separate Finance Undertakings by the Vendors would not be acceptable.
- 2.4.6 Where Completion of the Development is to be financed by a Finance Undertaking (whether in whole or in part) –
- (a) the name of the licensed bank or registered deposit taking company must be disclosed before issue of the Consent;
  - (b) a proprietor of the Vendor's Solicitors is required to confirm due execution of the Finance Undertaking;
  - (c) the Finance Undertaking in the approved form must be executed and registered in the Land Registry before the first PASP is signed; and
  - (d) the Finance Undertaking must be forwarded to LACO within 7 working days after completion of its registration.

## 2.5 Unsecured Loan

- 2.5.1 Where unsecured loan has been partly or wholly made by the Financier to finance the Construction Costs and the Professional Fees when the application for the Consent is made, the Financier must be made a party to the ASP.
- 2.5.2 The Financier must covenant in each ASP with the purchaser that the Financier will not call back the whole or any part of the loan advanced or to be advanced, and will provide all future necessary finance, until the Development has been completed. The SD must include a statement that confirmation in writing to that effect from the Financier has been received.
- 2.5.3 The name(s) of the Financier must be disclosed before the issue of the Consent.
- 2.5.4 Any unsecured loan which has been advanced or will be advanced cannot be treated as a means to finance the Construction Costs and the Professional Fees yet to be incurred, whether in whole or in part.

3. Development Progress

- 3.1 The development of the land must have reached a stage where the foundations of the building(s) within the Development have been completed.
- 3.2 The Building Authority must have given consent under section 14 of the Buildings Ordinance to commence building works on the superstructure of the building(s) within the Development.
- 3.3 The up-to-date general building plans of the Development approved by the Building Authority under the Buildings Ordinance have been submitted to the Director for approval under Stage 2 of the streamlined building plans checking process under the Government Grant promulgated in Lands Administration Office Practice Note No. 4/2018 (as may be amended or supplemented from time to time).
- 3.4 The Authorized Person must provide an estimated material date. The estimated material date as certified by the Authorized Person is the date for contractual completion of the sale and purchase to be inserted in clause 4(1)(c) of each ASP.
- 3.5 Generally, the estimated material date as certified by the Authorized Person must not exceed 3 calendar months after the current expiry date of the Building Covenant Period. If the estimated material date is more than 3 calendar months after the current expiry date of the Building Covenant Period, the Vendor is required to apply for and obtain an extension of the Building Covenant Period. If the Building Covenant Period is extended, a copy of the approval letter showing the extended Building Covenant Period must be submitted.

4. Appointment of Solicitors

- 4.1 As a solicitors' firm acting for the Vendor in the sale of units plays a significant role as stakeholder of the sales proceeds, no solicitors' firm may act in the sale unless a letter of its appointment to act for the Vendor is submitted.
- 4.2 Any withdrawal of the appointment must be sent to LACO within 2 working days of receipt of withdrawal by the solicitors' firm concerned.

5. Statutory Declaration and Agreement for Sale and Purchase

5.1 Statutory Declaration

- 5.1.1 A SD in the form approved by the Director must be made by a proprietor of the Vendor's Solicitors or where the Vendor's Solicitors comprise more than one solicitors' firm, be made by a proprietor of each of the solicitors' firms acting in the sale and registered in the Land Registry before the first PASP is signed. A draft of the SD in the form at Appendix II must be submitted for the Director's approval.
- 5.1.2 Where Consent has already been given but the SD has not been made, if –
  - (a) a change is proposed to the form of the SD approved by the Director; or

- (b) the AP's Certificate (please refer to Paragraph 6.2 of this Section III) which is to be exhibited to the SD and last accepted by the Director is dated more than 3 calendar months before the proposed date of the SD;

a revised draft SD with updated exhibits must be submitted for the Director's approval.

5.1.3 Where Consent has already been given and the SD made, if –

- (a) a change is proposed to the SD;
- (b) a change to the approved form of ASP is approved by the Director;  
or
- (c) a change to the approved form of DMC is approved by the Director;

a draft Supplemental SD with updated exhibits must be submitted for the Director's approval.

5.1.4 If the Vendor's Solicitors or where the Vendor's Solicitors comprise more than one solicitors' firm, any one of the solicitors' firms, ceases to act for the Vendor in the sale, no further sale may take place until the Director has approved the substitute solicitors' firm (if any) to act for the Vendor and a further SD in the form approved by the Director with updated exhibits has been made by that substitute solicitors' firm and registered in the Land Registry. Any application for approval of the substitute solicitors' firm by the Director must be made through the Vendor's Solicitors, or where the Vendor's Solicitors comprise more than one solicitors' firm, the solicitors' firm which made the application for the Consent, or the substitute solicitors' firm if it is appointed to substitute the solicitors' firm which made the application for the Consent.

5.1.5 If the Vendor intends to instruct any other solicitors' firm to act on its behalf in addition to the solicitors' firm(s) already approved at the time of Consent as the Vendor's Solicitors, the solicitors' firm to be so instructed cannot act in the sale until the Director has approved that solicitors' firm to act for the Vendor and a further SD in the form approved by the Director with updated exhibits has been made by a proprietor of that solicitors' firm and registered in the Land Registry. Any application for the Director's approval to add a solicitors' firm must be made through the Vendor's Solicitors, or where the Vendor's Solicitors comprise more than one solicitors' firm, the solicitors' firm which made the application for the Consent or that solicitors' firm if it is appointed to substitute the solicitors' firm which made the application for the Consent.

5.1.6 Up-to-date certificate of the Authorized Person as to the progress of construction, financing, etc. may be required where any further SD is to be made under Paragraphs 5.1.2, 5.1.3, 5.1.4 and 5.1.5 of this Section III.

## 5.2 Agreement for Sale and Purchase

- 5.2.1 Each ASP must be in the form at Appendix III or in the form approved by the Director. A draft of the ASP that is not in the form at Appendix III must be submitted for the Director's approval.
- 5.2.2 Each ASP must not provide for any sum of money, other than the preliminary deposit, to be paid before the date of the ASP.
- 5.2.3 Each ASP must be registered in the Land Registry within one calendar month after the date of the relevant PASP.
- 5.2.4 Only the person who signed a PASP is permitted to sign the relevant ASP, but additional person(s) is permitted to join in the relevant ASP on condition that adequate proof is produced to the satisfaction of the Vendor of a close family connection between the person who signed the PASP and such additional person(s) and that all of them sign the relevant ASP as purchasers personally. In addition, no attorney, trustee or nominee of any kind of a purchaser can be accepted by the Vendor for the purpose of signing an ASP except a named attorney (without any right of substitution) with a specific power only to sign the ASP in the name and on behalf of the purchaser.
- 5.2.5 No nomination, sub-sale or transfer of the benefit of an ASP by a purchaser before completion of the sale and purchase and execution of the Assignment to the purchaser is permitted under the ASP.

## 5.3 Standard Forms

- 5.3.1 The form of the SD at Appendix II and the form of the ASP at Appendix III should normally be adopted as standard forms without any variation. Request for variations to these forms will not normally be entertained, with the exception of very rare cases where a particular variation is considered essential either, for example, for the better protection of the interests of purchasers, or because of the particular circumstances of a specific case. Such cases will be considered on their own merits but in no circumstances will variations that are inconsistent with the mandatory provisions to be contained in ASP as set out in the Residential Properties (First-hand Sales) Ordinance be accepted. Any variations to these forms will require the Director's approval and may involve consultation with other relevant authorities. Ample time should therefore be allowed.
- 5.3.2 Where the proposed form of the ASP adopts the form at Appendix III without any variation, it is not necessary for the Vendor's Solicitors to submit the draft of the ASP for the Director's approval, and the Director will not check the draft of the ASP in this case. A statement in the SD confirming that the contents of the ASP in all respects accord with the form of the ASP at Appendix III is sufficient.
- 5.3.3 Where variations must be made to the form of the SD at Appendix II or the form of the ASP at Appendix III, the Vendor's Solicitors or where

the Vendor's Solicitors comprise more than one solicitors' firm, the solicitors' firm which made the application for the Consent must –

- (a) highlight the proposed variations in the draft of the SD or the draft of the ASP, with deletions preferably shown by striking through and additions shown by underlining, and provide full justification for each proposed variation; and
- (b) provide confirmation in writing that the proposed variations to the form of the ASP at Appendix III are not inconsistent with the mandatory provisions to be contained in ASP as set out in the Residential Properties (First-hand Sales) Ordinance.

Information inserted and deletions made in accordance with the instructions specified in the form of the ASP at Appendix III are not regarded as variations to the form at Appendix III. Only where the proposed form of the ASP contains variation of the wording of clause(s) in, deletion of clause(s) from or addition of clause(s) to the form at Appendix III, then the Director's approval is required.

- 5.3.4 If the Vendor's Solicitors wish to propose amendments to any variation already applied for, only those pages of the SD or the ASP on which these amendments are proposed should be submitted for the Director's approval. The relevant pages should be submitted with the proposed amendments highlighted in the same manner as in Paragraph 5.3.3(a) of this Section III and in such a way that these proposed amendments are readily apparent.
- 5.3.5 Any amendments to the substance of the SD and the ASP will not be considered after the issue of the Consent. Any concern as to the contents of these documents should be resolved in the process of obtaining the Director's approval and before the issue of the Consent.
- 5.3.6 Any variation to the form of the SD at Appendix II and the form of the ASP at Appendix III without the Director's approval may lead to suspension of the Consent. Depending upon the circumstances, the Director may also take other action.

## 6. Authorized Person and Authorized Person's Certificate, etc.

### 6.1 Authorized Person

The Authorized Person who gives a certificate for the purpose of obtaining the Consent must be an architect or engineer or surveyor listed in the authorized persons' register kept by the Building Authority under section 3(1) of the Buildings Ordinance.

### 6.2 Authorized Person's Certificate

6.2.1 The AP's Certificate must be in the form at Appendix IV.

6.2.2 Generally, the application for the Consent will not be processed if the AP's Certificate is dated more than 3 calendar months before the date of

the application. The AP's Certificate submitted immediately before the Director giving the Consent, on which the final check is conducted, must also be dated not more than 3 calendar months before the date of the Consent. Further, the date as at which the Construction Costs and the Professional Fees are certified as having been expended on the Development must not be more than 15 days before the date of the AP's Certificate.

- 6.2.3 If at the time of making the SD, the AP's Certificate last accepted by the Director is dated more than 3 calendar months before the proposed date of the SD, an updated AP's Certificate is required to be exhibited to the SD. The proposed SD, together with the updated AP's Certificate and other updated exhibits, must first be submitted for the Director's approval. When submitting the updated AP's Certificate, the Vendor's Solicitors or where the Vendor's Solicitors comprise more than one solicitors' firm, the solicitors' firm which made the application for the Consent must at the same time –
- (a) submit a copy of such updated AP's Certificate highlighting the revisions made to the AP's Certificate last accepted by the Director, with deletions preferably shown by striking through and additions shown by underlining; and
  - (b) provide confirmation in writing that save for the highlighted revisions, no other revision has been made to the AP's Certificate last accepted by the Director.
- 6.2.4 The Authorized Person must obtain confirmation in writing by an appropriate senior or financial officer of the Vendor on the amount of the Professional Fees. In respect of the amounts of the Construction Costs and the Professional Fees confirmed to have been paid, the Authorized Person must obtain written supporting evidence from the Vendor to satisfy himself that the sums have been paid to the contractors, sub-contractors, suppliers and professionals as claimed. Individual receipts or invoices in support of the payment need not be produced to the Director, unless specifically required in any particular case at the Director's discretion. Further, pursuant to the undertaking given in the AP's Certificate, the Authorized Person must inform in writing LACO, the Mortgagee (if any), the Vendor and the Vendor's Solicitors immediately if there is a change of information on (inter alia) the Construction Costs and the Professional Fees.
- 6.2.5 The Building Contractor must be identified in the AP's Certificate and must be a general building contractor registered with the Building Authority under section 8A of the Buildings Ordinance and appointed under section 9(1) or (3) of the Buildings Ordinance to carry out building works for the Development. All other contractors, sub-contractors and suppliers for the Development (for example, for site formation works, substructure works and superstructure works, etc.) must also be identified in the AP's Certificate for the purpose of drawing funds from the stakeholder account (please refer to Paragraph 17 of this Section III) or the Building Mortgage (if any), against properly delivered invoices.

6.2.6 The Authorized Person must obtain confirmation in writing from the Vendor whether or not the Building Contractor is an associate corporation of the Vendor or the holding company of the Vendor, the JV Partner or the holding company of the JV Partner. If it is the case, the Authorized Person may, at his discretion, require the various amounts relating to the Construction Costs and the Professional Fees to be verified by an independent authorized person or quantity surveyor.

6.2.7 If –

- (a) any director or secretary (company secretary) of the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor is an immediate family member of the Authorized Person, or any other authorized person in the AP Company who is a proprietor or director of the AP Company;
- (b) the Authorized Person, or any other authorized person in the AP Company who is a proprietor or director of the AP Company, holds at least 1% (in the case of a listed company), or at least 10% (in the case of a private company), of the issued shares in the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor;
- (c) the Authorized Person, or any other authorized person in the AP Company who is a proprietor or director of the AP Company, is an employee, director or secretary (company secretary) of the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor; or
- (d) the AP Company is an associate corporation of the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor,

then the various amounts relating to the Construction Costs and the Professional Fees (including any payment made) appearing in the AP's Certificate and any other certificate of the Authorized Person to be submitted to LACO, the Vendor, the Vendor's Solicitors, or the Mortgagee (if any) must be verified by an independent authorized person or quantity surveyor.

6.2.8 An authorized person or quantity surveyor is considered to be an independent authorized person or quantity surveyor if –

- (a) the Authorized Person is not an immediate family member of that authorized person or quantity surveyor, or the other proprietor(s) or director(s) of the firm or corporation to which that authorized person or quantity surveyor belongs;
- (b) that authorized person or quantity surveyor is not, and no proprietor or director of the firm or corporation to which that

authorized person or quantity surveyor belongs is, an employee of the Authorized Person;

- (c) no proprietor, director or secretary (company secretary) of the AP Company, the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor is an immediate family member of that authorized person or quantity surveyor, or the other proprietor(s) or director(s) of the firm or corporation to which that authorized person or quantity surveyor belongs;
- (d) that authorized person or quantity surveyor does not hold, and no proprietor or director of the firm or corporation to which that authorized person or quantity surveyor belongs holds, at least 1% (in the case of a listed company), or at least 10% (in the case of a private company), of the issued shares in the AP Company, the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor;
- (e) that authorized person or quantity surveyor is not, and no proprietor or director of the firm or corporation to which that authorized person or quantity surveyor belongs is, an employee, proprietor, director or secretary (company secretary) of the AP Company, the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor; and
- (f) the firm or corporation to which that authorized person or quantity surveyor belongs is not an associate corporation of the AP Company, the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor.

6.2.9 The certificate of the independent authorized person or quantity surveyor, if required, must be in the form at Appendix XI and submitted before the issue of the Consent.

### 6.3 Change of Authorized Person

6.3.1 The Authorized Person must inform in writing LACO, the Vendor's Solicitors and the Mortgagee (if any) of any change of the Authorized Person unless it is a temporary change within the same AP Company.

6.3.2 Where a Temporary Authorized Person is involved and the Vendor wishes to rely on the certificate of the Temporary Authorized Person for the purpose of obtaining the Consent or drawing money from the stakeholder account or under the Building Mortgage (if any), then the Director's approval of the Temporary Authorized Person must first be obtained before his certificate can be accepted for any of the purposes.

6.3.3 In obtaining the Director's approval, the Temporary Authorized Person must first confirm in writing to the Director that he is an architect or engineer or surveyor listed in the authorized persons' register kept by

the Building Authority under section 3(1) of the Buildings Ordinance and acts as a co-ordinator of building works for the Development for the time being. The Temporary Authorized Person must disclose any relationship in accordance with Paragraphs 7.1, 7.2 and 7.3 of this Section III. The Vendor's Solicitors and the Mortgagee (if any) must be notified in writing of the approval of the Temporary Authorized Person by the Director before drawing any money.

- 6.3.4 On the resumption of appointment by the original Authorized Person, he must again inform in writing LACO, the Vendor's Solicitors and the Mortgagee (if any) of his re-appointment and the cessation of appointment of the Temporary Authorized Person.

## 7. Disclosure of Relationships between Parties involved in the Development

- 7.1 When applying for the Consent, it must be disclosed to the Director the personal and financial relationships of the Authorized Person and each proprietor of the Vendor's Solicitors with the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner and the Building Contractor.

### 7.1.1 Personal relationship

Personal relationship exists in the following situations –

- (a) where the Vendor, the JV Partner, or the Building Contractor is an individual, any of them is an immediate family member of the Authorized Person or a proprietor of the Vendor's Solicitors;
- (b) where the Vendor, the JV Partner, or the Building Contractor is a partnership, a partner of the Vendor, the JV Partner, or the Building Contractor is an immediate family member of the Authorized Person or a proprietor of the Vendor's Solicitors;
- (c) where the Vendor, the JV Partner, or the Building Contractor is a corporation, a director or the secretary (company secretary) of the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor is an immediate family member of the Authorized Person or a proprietor of the Vendor's Solicitors.

### 7.1.2 Financial relationship

Financial relationship exists in the following situations –

- (a) where the Authorized Person or a proprietor of the Vendor's Solicitors holds at least 1% (in the case of a listed company), or at least 10% (in the case of a private company), of the issued shares in the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor;
- (b) where the Authorized Person or a proprietor of the Vendor's Solicitors is an employee, director or secretary (company

secretary) of the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor, regardless of whether or not the Authorized Person or a proprietor of the Vendor's Solicitors holds any share in that company.

- 7.2 The requirements of disclosing personal and financial relationships to the Director also apply to any other authorized person in the AP Company who is a proprietor or director of the AP Company, even though he does not personally give the AP's Certificate and any proprietor of the Vendor's Solicitors even though he does not personally make the SD in relation to the Consent.
- 7.3 Where the AP Company is an associate corporation of the Vendor, the holding company of the Vendor, the JV Partner, the holding company of the JV Partner, or the Building Contractor, then disclosure of such relationship to the Director is also required.
- 7.4 Where any of the relationships stipulated in Paragraphs 7.1, 7.2 and 7.3 of this Section III exists, the Authorized Person would not be automatically prohibited from acting as the Authorized Person or the Vendor's Solicitors acting as the conveyancing solicitor for the Development, but the Director reserves the right, in individual circumstances, to seek specific assurances or undertaking from the related parties to ensure their independence.
- 7.5 The Authorized Person and the Vendor's Solicitors must inform in writing LACO and any other appropriate party of any change of the relationships as stipulated in Paragraphs 7.1, 7.2 and 7.3 of this Section III immediately, and a change of relationship stipulated in Paragraph 6.2.6 of this Section III on being notified by the Vendor of such change. LACO may then impose further conditions for the Consent already given including the making of a supplemental SD and the public disclosure of the relationships.

## 8. Lease Approvals

- 8.1 Subject to Paragraph 8.4 of this Section III, before the Consent is issued, Government's approvals required under the Government Grant must be obtained and documentary evidence of the Government's approvals must be produced by the Vendor.
- 8.2 Government's approvals include but are not limited to –
  - 8.2.1 design, disposition and height / design and disposition;
  - 8.2.2 master layout plan;
  - 8.2.3 landscaping proposal;
  - 8.2.4 carpark layout plan;
  - 8.2.5 natural terrain hazard mitigation and stabilization works plans; and
  - 8.2.6 deed of mutual covenant incorporating management agreement.

- 8.3 If so required under the Government Grant, the approved carpark layout plan must be deposited with the Director and the approved natural terrain hazard mitigation and stabilization works plans must be registered in the Land Registry before the Consent is issued.
- 8.4 With the issuance of the Lands Department's Lands Administration Office Practice Note No. 8/2025 ("Practice Note"), the Vendor may, among other things, apply for approvals of design, disposition and height or design and disposition and landscaping proposal by phase, covering a specific phase of the development ("phase" means a phase (within the meaning of the Residential Properties (First-hand Sales) Ordinance (Cap. 621)) in the development). The said phased approvals may be accepted as the relevant Government's approvals of design, disposition and height or design and disposition and landscaping proposal required under the Government Grant for the purposes of processing a pre-sale consent application in respect of the relevant Phase concerned and issuing the Consent thereof under Paragraphs 8.1 and 8.2 of this Section III.

9. Other General Requirements

- 9.1 Other than the Building Mortgage (if any), the land must not be subject to any other financial encumbrance.
- 9.2 The lease term of the land must have at least 10 years to run. Where the Government Grant is non-renewable and the lease term has less than 10 years to run, an application for the Consent will not be entertained unless the Vendor has applied for and obtained a regrant or lease extension, or the lease term of the land will be extended by legislation. Renewable leases to which the Government Leases Ordinance or the New Territories Leases (Extension) Ordinance applies are treated as leases having a term of more than 10 years even though the original term has already expired or will expire in less than 10 years.
- 9.3 Any area required to be surrendered to the Government must either be carved out by a deed poll or surrendered to the Government before the issue of the Consent.
- 9.4 Where a premium is payable, the premium or the balance outstanding together with any interest must be paid before the issue of the Consent.
- 9.5 Where a modification of the Government Grant is underway, the Consent will not be given before completion of the modification even though the modification is minor or technical in nature and would not affect the interests of purchasers.

**(B) Processing of Application for Consent**

10. Procedures

- 10.1 Upon receipt of confirmation that the consent fee (please refer to Paragraph 11 of this Section III) has been settled, LACO will process the application for the Consent.
- 10.2 LACO will check all the documents submitted with the application for the Consent, including but not limited to, the draft of the SD, (subject to Paragraph

5.3.2 of this Section III) the draft of the ASP and the AP's Certificate. LACO will seek clarifications or request additional information to ensure that all the criteria for the issue of the Consent have been fulfilled. To expedite the processing of the application, LACO will aim –

- 10.2.1 to issue the first round of comments within one calendar month of receipt of the application; and
  - 10.2.2 for subsequent rounds of correspondence, to reply to the Vendor's Solicitors within 2 weeks of receipt of the response from them.
- 10.3 To assist the Vendor in giving early instructions to the Vendor's Solicitors to resolve any outstanding issue with LACO, LACO will keep the Vendor informed of the progress of the application for the Consent. Follow-up correspondence as to the progress of the application will be copied to the Vendor, including rejection of incomplete or pre-mature submission, request for additional clarifications and similar correspondence.
- 10.4 When all the clarifications (if any) have been made and additional information (if any) has been provided and LACO is satisfied that the AP's Certificate is in order and that the Vendor has the financial ability to complete the Development, LACO will approve the forms of the SD and (subject to Paragraph 5.3.2 of this Section III) the ASP. LACO will, in appropriate cases, issue a reminder for the production of documentary evidence of lease approvals required under the Government Grant, including but not limited to, the lease approvals referred to in Paragraph 8.2 of this Section III if this has not yet been done. If such documentary evidence is not produced within 28 days of LACO's reminder, the priority allocated to the application for the Consent will be lost and the application will not be further processed until documentary evidence of the outstanding approval(s) is produced.
- 10.5 Consent as and when given will not take effect earlier than 30 calendar months before the estimated material date as certified by the Authorized Person.
- 10.6 To ensure proper prioritization in processing all applications for the Consent, LACO would devote staff time to those applications which are active. As a general principle, an application for the Consent may be regarded as withdrawn if –
- 10.6.1 despite request or warning, the Vendor's Solicitors fail to provide the clarification or information required by LACO;
  - 10.6.2 there is a substantial change in the subject matter of the application; or
  - 10.6.3 there is a breach or a pending modification of the Government Grant.
- 10.7 Failure of Vendor's Solicitors to provide clarification or information despite request or warning

Where clarification or information is required, LACO will issue a requisition letter to the Vendor's Solicitors. The Vendor's Solicitors are expected to furnish LACO with the clarification or information within 2 weeks of the date of the requisition letter. If the clarification or information is not received by LACO

and despite the issuance of reminder, the Vendor's Solicitors still fail to provide the same, the application for the Consent would be treated as withdrawn and a letter will be issued to the Vendor's Solicitors (and copied to the Vendor) to that effect.

#### 10.8 Substantial Change in Subject Matter of Application

The application for the Consent would be regarded as withdrawn when there is a substantial change in the subject matter of the application, including –

10.8.1 change in the phasing of the Development (for example, to apply for the Consent to sell all units in the Development instead of a Phase (as originally applied for) or vice versa, to bring forward the sale of units or block(s) in other Phase(s) (contrary to the original application) or vice versa, to swap units or block(s) in the current Phase (under application) and in other Phase(s));

10.8.2 substitution of the leading solicitors' firm in the application.

#### 10.9 Breach or Pending Modification of Government Grant

As and when LACO is ready to approve the application for the Consent and issue the Consent but for a breach of the Government Grant or a pending modification, the Vendor's Solicitors will be required to report progress on purging the breach or completing the modification. If no reply is received or if it is found that no concrete progress has been made, the application would be treated as withdrawn and a letter will be issued to the Vendor's Solicitors (and copied to the Vendor) to that effect.

10.10 After an application for the Consent is deemed withdrawn, a fresh application is required to be submitted if the Vendor still wants to sell any units in the Development before it is completed. Such fresh application will be processed subject to payment of a new consent fee. No refund of fee will be made in respect of the application which is deemed withdrawn, but request for return of the documents submitted would be entertained. Where different applications are competing for the time of the processing staff, priority would normally be given to applications received earlier.

### 11. Consent Fee

11.1 A consent fee at the rate prevailing at the time of the application for the Consent will be imposed. After LACO is satisfied that the application has been duly made and the duly completed and signed checklist and the mandatory documents set out in Paragraph 1.5 or 1.6 (as the case may be) of this Section III have been duly submitted, LACO will issue a demand note for the fee. Such fee must be paid upfront and is not normally refundable, irrespective of whether the Consent will be issued or not.

11.2 LACO will announce the prevailing rate of consent fee in a LACO Circular Memorandum from time to time.

**(C) Sale, Advertising and Promotional Activities**

**12. Number of Residential Units Offered for Sale**

- 12.1 Whenever the Vendor offers for sale (whether by way of auction, tender or otherwise) residential units in the Development to which the Consent applies, the Vendor must offer not less than 20% of the total number of the residential units in the Development. For the avoidance of doubt, parking spaces offered to be sold together with any residential units will not be taken into account for the purpose of calculating the 20% of the residential units.
- 12.2 In calculating the 20% of the total number of the residential units in the Development, the Director would not be concerned whether the residential units have never been offered for sale or have been offered for sale on previous occasion(s) but remain unsold.
- 12.3 In the event that the number of residential units remaining unsold is less than 20% of the total number of residential units in the Development to which the Consent applies, then all such unsold residential units must be offered for sale together.

**13. Availability of Sales Arrangements**

- 13.1 The Vendor must provide the Sales of First-hand Residential Properties Authority with a hard copy of the document containing information about the sales arrangements in respect of the residential units offered for sale on the first day of the period which the Vendor is required to make such sales arrangement available to the general public under section 47 of the Residential Properties (First-hand Sales) Ordinance.
- 13.2 The hard copy must be submitted in accordance with Paragraphs (14) to (16) of the Practice Note on Submission of Documents to the Sales of First-hand Residential Properties Authority (Practice Note No. PN03/19) (as may be amended or supplemented from time to time).

**14. Conduct of Sale**

- 14.1 In giving the Consent, the Director may stipulate (inter alia) the arrangements, rules and procedures according to which sales are to be conducted so as to ensure orderly sale and that prospective purchasers will have easy access to information requisite to the sale. The Vendor's Solicitors must ensure that the Vendor is fully aware of and complies with all the conditions subject to which the Consent is given.
- 14.2 The Vendor's Solicitors must check the terms and conditions of any PASP and ensure that they comply with the conditions imposed by the Director in giving the Consent before the relevant ASP is prepared. If any breach is identified, the Vendor's Solicitors must not act for either party in the sale in respect of which the PASP is in breach and must immediately notify in writing LACO of the breach. Any breach of the conditions of the Consent apparent on the face of any PASP will immediately act as suspension of the Consent and no further sale may take place until the Director has confirmed in writing that the Consent is reinstated in respect of the units that are unsold, subject to any additional condition.

## 15. Disclosure of Information

- 15.1 The Vendor must, upon request, disclose to prospective purchasers the amounts of legal charges for conveyancing and mortgage and stamp duties payable.
- 15.2 The Vendor must provide, and must procure its staff and the agent(s) appointed by the Vendor to provide, a copy of the DMC, or where the DMC has already been executed by the Vendor and other parties, a copy of the executed DMC, to the general public on request and payment of a reasonable photocopying charge. If the Vendor's Solicitors are also instructed to act for a prospective purchaser in the purchase, the Vendor's Solicitors must make available for his inspection a copy of the DMC or the executed DMC (as the case may be) or, if he is represented by any other independent solicitors' firm, must on request provide him (or the solicitors' firm instructed by him) with a copy of the DMC or the executed DMC (as the case may be) on payment of a reasonable photocopying charge.
- 15.3 The Vendor must, upon request from a purchaser who has signed an ASP, provide him with a hard copy of the record of information as to the total Construction Costs and the total Professional Fees to complete the Development as well as the total Construction Costs and the total Professional Fees expended and paid from time to time that must be updated on a calendar monthly basis subject to payment of a nominal fee of not more than HK\$100 per request.
- 15.4 The Vendor must set out in the sales brochure for the Development entitled "Sales Brochure" in English and "售樓說明書" in Chinese prepared for the purpose of section 25 of the Residential Properties (First-hand Sales) Ordinance such information as is required to be set out by the Director in giving the Consent.
- 15.5 Where the Consent involves the sale of parking spaces, the Vendor is required to prepare a sales publication entitled "sales brochure for parking space" in English and "車位銷售說明書" in Chinese which must include the information set out in the list at Appendix VII and must state the date on which it is printed. The sales brochure for parking space must be made available for collection by the general public free of charge –
  - 15.5.1 during a period of at least 7 days immediately before a date on which any parking space is sold or offered to be sold; and
  - 15.5.2 on a date on which any parking space is sold or offered to be sold at the place where the sale is to take place.

The sales brochure for parking space must also be made available for inspection on the website designated for the Development at the same time. On the first day on which the Vendor makes a hard copy of the sales brochure for parking space available to the general public, the Vendor must provide a hard copy of it to each of the Consumer Council, the Estate Agents Authority and LACO.

## 16. Promotional Activities prior to issue of Consent

16.1 Notwithstanding that the “restriction on alienation before compliance” clause in the Government Grant prohibits the Vendor from publicising or advertising of units available for sale before the issue of the Consent, to allow the Vendor to promote the Development earlier, commencement of promotional activities prior to the issue of the Consent may be permitted on application. Such application may be incorporated into the letter making the application for the Consent or by way of a separate letter. In the latter case, permission to commence promotional activities will not be given by the Director until after receipt of the application for the Consent, and in either case, payment of the consent fee must have been made. The permission to be given in writing is subject (inter alia) to the condition that the Vendor must specify and make known to the public in any publicity or promotional material or activity that the Consent has not yet been obtained.

16.2 The Vendor may, pursuant to the permission (if given) to commence promotional activities but subject to the Residential Properties (First-hand Sales) Ordinance –

16.2.1 release to the public details of the Development (excluding the price list), whether by way of print, television, radio or other electronic media, on-line, or in its sales offices;

16.2.2 promote the viewing of show flats; and

16.2.3 organize competitions, campaigns and other activities for publicising the Development to be put on sale.

Under no circumstances may sales brochure be issued before the issue of the Consent.

16.3 Permission to launch promotional activities shall not be construed as the Consent nor shall it be taken as implying that the Consent will be forthcoming for the Development, which will only be given if all the criteria for the issue of the Consent have been fulfilled. In addition, the permission (if given) shall under no circumstances be construed as permission to –

16.3.1 sign any PASP or other document, whether it is stated to be binding or not;

16.3.2 seek from any person any expression of intention (whether or not accompanied by a payment of money) to purchase any unit;

16.3.3 take, register or keep any name or legal identification document of any person or his choice of units with the intention of reserving any unit; or

16.3.4 accept any deposit or other consideration by the Vendor, the Vendor’s Solicitors, or the agent(s) appointed by the Vendor.

16.4 If the Vendor does not comply with the conditions specified in Paragraph 16 of this Section III as to permission for promotional activities or if there is any complaint relating to the maintenance of order in any sales office, public place, or elsewhere, or any misrepresentation of sales information in any advertisement or promotional activity, or at any time as the Director may at his discretion

consider appropriate, the permission for commencement of promotional activities prior to the issue of the Consent may be withdrawn immediately. The Vendor must cease all promotional activities in relation to the Development upon receipt of notice from the Director of his withdrawal of the permission.

**(D) Monitoring after issue of Consent**

**17. Operation of Stakeholder Account**

17.1 The Vendor's Solicitors must collect from the Vendor the preliminary deposit paid under a PASP in respect of a unit within 5 working days of the Vendor receiving it. The Vendor's Solicitors must then pay the preliminary deposit into the stakeholder account and apply it as deposit and in part payment of the purchase price of the unit concerned and hold it as stakeholder. A written undertaking to that effect must be given by the Vendor's Solicitors and delivered to LACO before the first PASP is signed. 17.2.2 Any release of funds from the stakeholder account must be strictly in accordance with the terms and conditions of the ASP and the conditions imposed by the Director in giving the Consent.

17.2.3 No money shall be drawn from any stakeholder account for reimbursement to the Vendor or for payment as the Construction Costs to any contractor, sub-contractor or supplier other than those whose names have already been disclosed in the AP's Certificate or the quarterly or final certificate referred to in Paragraph 18.3.1 of this Section III or as the Professional Fees. Further, any money so drawn must be for payment of the Construction Costs and the Professional Fees already expended and which have been paid or are payable by the Vendor.

17.2.4 Where the Vendor's Solicitors comprise more than one solicitors' firm, the written agreement of all the solicitors' firms instructed to act on behalf of the Vendor is required for any release of funds from any of the stakeholder accounts.

17.3 Where the land is subject to a Building Mortgage, the following additional requirements apply –

- 17.3.1 To ensure proper management of the stakeholder account for the Development, the Vendor's Solicitors must enter into a Tripartite Stakeholder Agreement with the Mortgagee and the Vendor. Where the Vendor's Solicitors comprise more than one solicitors' firm, they must each enter into a Tripartite Stakeholder Agreement.
- 17.3.2 The Director has not prescribed any form of the Tripartite Stakeholder Agreement, but the Tripartite Stakeholder Agreement must comply with this Annex and contain the terms and conditions set out in Appendix VIII.
- 17.3.3 The Tripartite Stakeholder Agreement must be executed and registered in the Land Registry before the first PASP is signed.
- 17.3.4 Any release of funds from the stakeholder account must be made with the prior written approval of the Mortgagee and where the Vendor's Solicitors comprise more than one solicitors' firm, with the prior written agreement of all other solicitors' firm(s) and strictly in accordance with the terms and conditions of the Tripartite Stakeholder Agreement, in addition to the requirements for release of funds as stipulated in Paragraphs 17.2.2 and 17.2.4 of this Section III.
