Located beside the future District and Family Courts, Lee Garden Eight—an award-winning mixed-use development by Foster + Partners for Hysan Development and Chinachem Group—marks a new chapter in legal and urban spaces.

Hosted exclusively for The Law Society of Hong Kong, “From Land to Law: Shaping the Legal Workplace of Tomorrow” celebrates the legacy of Lee Gardens and explores the intersection of law, design, and community.

A featured Fireside Chat will spotlight how Lee Garden Eight’s sustainability and amenities are shaping the future of legal workplaces—reflecting evolving professional needs through thoughtful design and innovation.
