Professional Indemnity Scheme

CIRCULAR 25-485 (PA)

24 July 2025

25-485 (PA) PROFESSIONAL INDEMNITY SCHEME ("PIS")

Application for Indemnity Form ("AI") and Gross Fee Income Report ("GFIR") to be submitted online on or before Friday, 15 August 2025 5:30 p.m. (Repeat Circular)

The professional indemnity cover for all Hong Kong law firms for the 2024/2025 indemnity year will expire on Tuesday, 30 September 2025.

1. Renewal Forms

To renew indemnity, principals of law firms are required to submit an AI and a GFIR (except for new law firms, see paragraph 2(f) below) online via the PIS Digital Platform ("Platform") to the Scheme Manager, ESSAR Insurance Services Ltd. ("ESSAR") under rule 8 of the Solicitors (Professional Indemnity) Rules (Cap. 159M) ("Rules").

A notification email has been sent to the designated principal of each law firm from "do-not-reply@riskconnect.com" regarding the renewal of the 2025/2026 indemnity year via the Platform in late June 2025.

All Hong Kong law firms are required to complete and submit the AI and GFIR (as a scanned (black and white) copy attachment to the AI) executed in accordance with paragraph 2(a)(ii) below to ESSAR via the Platform online **on or before 15 August 2025 at 5:30 p.m.**, for the renewal of their indemnity for the 2025/2026 indemnity year, which commences on 1 October 2025. No physical/ hard copy or other forms will be accepted by ESSAR.

For enquiries on the Platform, please contact:

ESSAR Insurance Services Ltd

Ms. Pamela Poon, Scheme Administrator (direct line: +852 2862-4251); or

Ms. Ada Chan, Assistant Scheme Administrator (direct line: +852 2861-6300)

34/F, One Island East, Taikoo Place

18 Westlands Road, Quarry Bay, Hong Kong

Telephone no.: +852 2861-6666 (general)

2. The procedure for submitting the AI and GFIR (together the “Documents”) online

a) Execution of the Documents

- (i) The AI must be signed by a principal of the law firm.
- (ii) The GFIR must:
 - (1) be signed by a **Certified Public Accountant (Practising) (“CPA”) reporting the gross fee income of the law firm’s Practice for the immediately preceding accounting year of not less than twelve (12) months;**
 - (2) be issued under the **letterhead of a CPA firm;**
 - (3) specify the **CPA’s full name and Practising Certificate number (at the signature block of the GFIR);**

If this is the law firm’s first time submitting a GFIR, the GFIR should cover the gross fee income of the law firm’s Practice from its commencement date and for not less than twelve (12) months.

If the law firm has changed its accounting year end, the GFIR should cover the period from the law firm’s last reported accounting year end to the immediately preceding new accounting year end.

The Hong Kong Institute of Certified Public Accountants informed its members through its Circular in May 2022 to utilize the updated GFIR for the purpose of rule 8 of the Rules. The sample wording of the GFIR will be available for downloading when a law firm accesses its AI online.

b) Date of Submission: After 31 July 2025 and on or before 15 August 2025

- (i) The AI requires a law firm to state the name(s) of the solicitor(s) and foreign lawyer(s) practising under the law firm’s name as at 31 July 2025. This is because under paragraph 2(1)(a) of Schedule 1 to the Rules, with the exception of new law firms, ESSAR will calculate the amount of annual contribution based on the number of solicitors and foreign lawyers on that date. To ensure that accurate information will be provided to ESSAR, law firms should submit the AI online after 31 July 2025 and on or before 15 August 2025.
- (ii) If law firms choose to submit the AI online before 31 July 2025, **it is important that ESSAR be notified of any change in the composition of solicitors and foreign lawyers in the law firm between the date of online submission of the AI and 31 July 2025.**
- (iii) **Under rule 8(1) of the Rules, the last day to submit the Documents is Friday, 15 August 2025.**

c) Failure to submit the Documents by the statutory deadline of 15 August 2025

Failure to comply with rule 8 is a breach of the Rules. Any failure shall be considered by the Working Party on PIS Gross Fee Income Reports and Contributions (“Working Party”) with recommendations to the Council to take appropriate action.

d) Documents are to be submitted ONLINE ONLY via the Platform

Do NOT send physical or hard copies of the Documents to ESSAR or the Law Society.

e) Application for an Extension of Time: To be sent to The Law Society

If for any reason a law firm is not able to meet the statutory deadline of 15 August 2025, the law firm should make a **PRIOR** application to the Council for an extension of time to submit the Documents, **setting out (i) the period of time extension required and (ii) the reasons for requiring it.** All applications should be addressed to the **Assistant Director, Professional Indemnity Scheme, at the Law Society, 3/F, Wing On House, 71 Des Voeux Road Central, Hong Kong.** Applications should be made **on or before 8 August 2025** as there is **no guarantee** that applications received after this date can be considered by the Working Party before the statutory deadline of 15 August 2025.

f) New Law Firms or Law Firms without the first set of Audited Accounts

A new law firm, i.e. a law firm which commenced practice after 15 August 2024 or a law firm which has not had its first set of accounts audited, will not need to submit a GFIR by 15 August 2025. It must, however, submit an AI online via the Platform by 15 August 2025 to comply with rule 8(1) of the Rules. The new law firm will not need to state the amount of gross fee income in the AI. Pursuant to paragraph 2(2) of Schedule 1 to the Rules, the new law firm will pay a basic average contribution for the PIS renewal for the 2025/2026 indemnity year.

g) Law Firms intending to Cease Practice

Any law firm which intends to cease Practice prior to the commencement of the 2025/2026 indemnity year must comply with Practice Direction D7 of the Law Society Practice Directions. In particular, for the purpose of professional indemnity cover, the law firm **must give notice of cessation to ESSAR at least 8 weeks prior to 30 September 2025.** If the notice period ends on a date after 30 September 2025, the law firm may be required to pay contribution for the whole of the 2025/2026 indemnity year subject to any adjustment to be made upon cessation of Practice.

3. **An email regarding the PIS renewal 2025/2026 will be sent to the designated email address of the designated principal of each law firm in early July 2025 by the Law Society. Members are reminded to take note that the email will be sent from “adpis_group@hklawsoc.org.hk”.**

(Repeat Circular)**

1. The Standing Committee on Member Services is organising an insightful seminar exploring how asset tokenisation and stablecoins are transforming financing opportunities for Hong Kong's small and medium enterprises. With a significant funding gap of approximately HK\$170 billion due to illiquid assets like real estate, equipment, and intellectual property, traditional banking methods often fall short. Asset tokenisation offers a groundbreaking solution by converting ownership rights into tradable digital tokens, unlocking value and access to a global investor base. In addition, the availability of stablecoins enables "atomic" settlement of tokenised assets which ensures market efficiency, soundness and security.
2. This seminar will cover:
 - **The Tokenisation Advantage:** Enhanced capital access, increased liquidity through fractional ownership, and greater efficiency via smart contracts.
 - **A Practical Roadmap:** From asset selection and legal structuring to token issuance and ongoing management, learn the four key stages of implementing tokenisation.
 - **Hong Kong's Legal Framework – The Catalyst:** The Stablecoins Ordinance: This landmark legislation establishes a comprehensive regulatory regime for fiat-referenced stablecoins, creating a foundation of trust and clarity for the digital asset ecosystem. The Ordinance, effective August 2025, positions Hong Kong as a premier global hub for secure and compliant stablecoin innovation.
 - **The Future Role of Legal Counsel:** Discover how legal professionals can navigate this evolving landscape to facilitate compliant and innovative asset tokenisation offerings.
3. Position yourself at the forefront of Hong Kong's emerging digital finance ecosystem and gain practical knowledge on leveraging asset tokenisation to bridge traditional assets and blockchain technology.
