HKIARB Arbitration Fellowship Workshop 2025

by Prof. Anselmo Reyes SC

International Judge,
Singapore International Commercial Court

For over a decade, the HKIARB has been offering an annual two-day workshop by Professor Anselmo Reyes leading to a Fellowship qualification for aspiring arbitrators. The workshop's highlight was a simulated arbitration, in which participants played the role of arbitrators, heard arguments on a jurisdictional challenge (Day 1), and considered evidence in a merits hearing (Day 2). As part of the workshop, participants drafted a decision on the former and an award in respect of the latter. Last year, expressing a wish to retire from the workshop, Professor Reyes delivered his last such workshop.

The HKIARB has persuaded Professor Reyes to deliver a set of lectures in December this year, **over three days**, with a view to providing participants with a **comprehensive coverage of international commercial and investment treaty arbitration**.
