1. In recent years, the Northern Metropolis has become a major impetus for Hong Kong's future development and a key platform for integration with the Greater Bay Area. As underscored by the recent two-day visit of Xia Baolong, Director of the Hong Kong and Macao Work Office—which focused on Hong Kong's alignment with the nation's 15th Five-Year Plan and the ongoing development of the Northern Metropolis—this initiative has been elevated to a strategic level within national planning. Against this backdrop, the progressive rollout of policies, industry initiatives, and cross-boundary investment mechanisms is expected to generate significant opportunities.

2. These developments will, in turn, give rise to a growing demand for legal expertise in areas such as investment structuring, regulatory compliance, financing, and dispute resolution. As the Government rolls out dedicated legislation, streamlines planning procedures, and introduces preferential policy packages to attract strategic enterprises, legal practitioners will face an increasingly complex regulatory environment.
3. In light of the significance of this transformative initiative to the legal profession, The Law Society of Hong Kong and the Office of Dr Hon Thomas So Shiu-tsung, JP, Member of the Legislative Council (Election Committee), will co-organise a Forum on “Northern Metropolis: Investment Opportunities and Related Legal Issues” on Friday, 17 July 2026.
4. The Forum will serve as a valuable platform for legal practitioners to deepen their understanding of the evolving legal landscape, engage directly with policymakers and industry experts, and explore effective strategies for supporting clients in navigating the emerging opportunities presented by this initiative.
