**The 9th Global GBA Sustainable Development Economic & Trade Forum  
Global Connections • Ready to Take Off  
2025 GBA Annual Most Influential Awards Presentation Ceremony**

The 9th Global GBA Sustainable Development E & T Forum “Global Connections • Ready to Take Off”, we sincerely invite global elites to participate in this grand event for dialogues exchanging, focusing on the dual-track strategy of "Going Global and Bringing In". Against the profound adjustment of global economic and the reconstruction of the industrial chain. GBA as an important engine of China's economy, aims to leverage its regional resource advantages to help domestic enterprises expand into global markets, attract high-quality international companies to establish themselves in HK and Bay Area cities, promote sustainable economic and trade development, and further integrate the GBA into the global economic chain to achieve common prosperity. At the same time, recognize outstanding enterprises and distinguished leaders from all sectors for their contributions and influence on the sustainable economic development of the GBA.
