

Maserati Partnership

Exclusive offer for the Law Society Hong Kong members

Hong Kong | 2025

About Maserati

Established in Bologna, Italy in 1914, Maserati produces a complete range of unique cars, immediately recognisable for their extraordinary personality. Thanks to their style, technology and innately exclusive character, they delight the most discerning, demanding tastes and have always been a benchmark for the global automotive industry.

A tradition of successful cars, each of them redefining what makes an Italian sports car in terms of design, performance, comfort, elegance and safety, currently available in more than seventy markets internationally.

Model Range

Everyday Drive

Grecale, the all-new “everyday exceptional” SUV, is characterised by superior Maserati performance and incredible spaciousness that will make everyday driving exceptional, available in ICE and full-electric Folgore trim. Limited **Levante** SUV and **Ghibli** sedans are available at the dealership, while stock lasts.

Sports Car

The sporty new **GranTurismo** models – available with both high-performance petrol engines and a 100% battery electric powertrain – take the House of the Trident forward into the future. **GranCabrio** is the convertible version, both available in ICE and full-electric Folgore trim.

Super Sports Car

The top of the range is made up of the **GT2 Stradale**, **MC20** super sports car and the **MC20 Cielo** spyder, powered by the ground-breaking Nettuno V6 engine, incorporating F1-derived technologies available in the power unit of a standard production car.
