

Statute Law (Miscellaneous Amendments) Bill 2007
Part 3 of the Bill – References to “*ordre public*”

Submission of the Law Society of Hong Kong

The Constitutional Affairs Committee of the Law Society of Hong Kong has reviewed Part 3 of the Bill, which contains amendments to “*ordre public*” in the Societies Ordinance and the Public Order Ordinance. Our view is that Part 3 is in line with the Court of Final Appeal judgment in *Leung Kwok Hung and others v. HKSAR* [2005] 3 HKLRD 164, and we have no objections to its enactment.
